

DISCLAIMER

Thank you for visiting our website. The information contained on our website is for general information and educational purposes. Case studies and other academic writings in our Documents & Articles library are often client-commissioned and site-specific and therefore, while informative and educational, should not be construed as applicable to other real or hypothetical scenarios. Your use of our website is not intended to create nor does it create a client relationship between you and Pacific Environmental Analytics, LLC (“PEA”).

Further, we would advise against sending confidential information to us (via letter, email, telephone, this website or otherwise) unless and until we have been formally engaged to provide services and/or have entered into a Mutual Non-Disclosure Agreement. Any unsolicited information received by PEA cannot be considered or treated as confidential.

Your continued use of this website shall serve as your acknowledgment and confirmation that you have read and understand the above.
